

Board of Directors Open Time Form

The Wheatsville Board of Directors is a volunteer board elected by and from the membership annually, and represents the membership in establishing the long-term vision of the co-op, and monitoring General Manager (GM) performance. The board welcomes any opportunity to interact with members of the community, and as such, reserves at least ten minutes of every regular monthly meeting for open time to meet with whomever may want to come.

It is important to note, however, that the board does not interfere with the day-to-day operations of the store except as directed by board policy, allowing us to focus on linking with membership, and translating that into the long term vision of the co-op. This board philosophy, called policy governance, has proven very effective for co-ops across the nation.

We'd love to hear from you! Please fill out this form to help us organize our requests. We are also available via email, at board coffee time, owners dinners, Member Gatherings, and Member Appreciation Day. Thank you for supporting your co-op.
